Iron & Oak Announces Log Splitter Winner

Jon Broas of A-1 Express Rental Center wins log splitter at The Rental Show

Rogers, Minn. (March 2015) – Jon Broas of A-1 Express Rental Center, Eau Claire, Wis., is the winner of an Iron & Oak BHVH2213GX horizontal/vertical log splitter valued at \$2,549. The splitter was given away at *The Rental Show 2015*, a national rental show in New Orleans with 5,870 attendees from 2,513 rental businesses.

One of Iron & Oak's top sellers, the reliable BHVH2213GX log splitter is powered by a 163cc Honda GX160 engine and a cycle time of just 12 seconds. A 6-inch H-beam and laser cut 7.5-inch splitting wedge deliver improved quality and durability. The BHVH2213GX can process logs up to 25-inch log. It has a 4-inch x 24-inch clevis cylinder and 1.75-inch cylinder rod. A 9.5 gallon hydraulic tank assures the unit runs cool. The log splitter comes standard with log dislodger to help eject any log that sticks to the wedge which also protects the control valve and other hydraulic components.

About Iron & Oak

Located in Minnesota, Iron & Oak manufactures and distributes a full line of log splitters. Since 1982, their commercial quality log splitters have been rated among the top in their industry for their performance, ease of use and reliability.
