Iron & Oak Announces New Distributor

Construction Equipment Solutions (CES) to offer distribution/rental support in Canada

Rogers, Minn. (April 2015) – Iron & Oak is pleased to announce that Construction Equipment Solutions (CES) of Pickering, Ontario will provide distribution and rental support for Iron & Oak's line of log splitters in Ontario, Canada.

"We are very excited to distribute Iron & Oak to the rental market in Ontario," said Kim Wiles, president of Construction Equipment Solutions.

CES has been in business for 24 years as an equipment distributor to the rental industry. They offer an extensive and diverse range of products for all seasons.

About Iron & Oak

Located in Minnesota, Iron & Oak manufactures and distributes a full line of log splitters. Since 1982, their commercial quality log splitters have been rated among the top in their industry for their performance, ease of use and reliability.
